- Chronic digestive conditions
- Chronic Fatigue
- Chronic Pain
- Mold Illness
- Osteoporosis
- PMS
- Thyroid Conditions
- and more...

#### WELLNESS CARE

We offer personalized treatments to help you look better, feel better and achieve the glow of radiant health. Our approach enhances productivity, performance and mental sharpness in the work place. Critical to achieving these goals is optimizing nutrition to facilitate cellular regeneration and rejuvenation, the use of oxygen-based therapies, detoxification of the body, and emotional cleansing.

#### OUR TREATMENTS

##### Customized Intravenous Infusions

IV infusion delivers 100% of the nutrients directly to the bloodstream and is the most effective way to deliver nutrients to the cells of the body. One often

feels immediate positive effects. On the other hand, oral supplements depend on the digestive system for absorption and for this reason yield, at most, about 50% efficiency.

We offer a menu of **GLOW MEDICAL™** nutrient-based IV infusions for beauty, detoxification, immune support, athletic performance, and mental clarity. We carefully source our nutrients for the highest quality, and we tailor our formulas to each patient.

- Brain Sharpness Booster
- Athletic Performance & Recovery
- Skin Tone Enhancer
- Stress Reducer
- Anti-aging Elixir
- Jet-lag Recovery

#### Emotional Detoxification

Our unique and innovative Facial Autonomic Sensory Technique (F.A.S.T. Therapy™) has helped many of our patients to resolve emotional traumas, gain emotional cleansing, and achieve greater well-being.

#### Oxygenation Therapies

Hyperbaric oxygen and other oxygen-based therapies increase energy, relieve stress, induce calm, enhance immune function, accelerate wound-healing, facilitate recovery from stroke or other brain injury, and improve athletic performance.

#### Our Doctors

Philip J. Cohen, MD received his MD from Rutgers-New Jersey Medical School (Rutgers-NJMS) in 1985 and received his second doctorate in Naturopathic Medicine from the University of Bridgeport in 2004. He has practiced Integrative Medicine for over 25 years.

Denise M. Cohen, ND received her doctorate in Naturopathic Medicine from the University of Bridgeport School in 2004. She has practiced Naturopathic Medicine for over 15 years.

#### Insurance

At your first appointment, you can expect to meet with the doctor for 30 minutes. Please be aware that insurance companies do not cover our specialized treatments. Fees are due at the time of service. Your cost of care will vary by the complexity and duration of the treatments required. Our fees can be applied to flexible spending accounts.
